FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: WT Docket 97-82

Dear Commissioners:

NextWave Telecom Inc.

As you approach a decision in the proceeding concerning alternative financing options for C-block PCS licensees, NextWave Telecom Inc. would like to thank you for your extraordinary commitment of time and energy to this important issue. We would also like to point out for the record that the vast majority of commenters participating in this proceeding support some form of relief.

Attached you will find a table summarizing the filings that were made throughout the summer that have become part of the record in WT Docket 97-82. As you will see, the commenters include Congressional representatives, PCS entrepreneurs, resellers, rural telcos, investment bankers, and equipment suppliers, among others. Of the 321 filings made between June and September, more than two-thirds favor restructuring alternatives that you are reviewing. The record speaks for itself on the subject of entrepreneurship.

Thank you again for your time and careful consideration of all the issues in this proceeding.

With best regards,

Janice Obuchowski
Executive Vice President
